Endorsed By The County Committee.

At a called meeting Friday afternoon of the Bourbon County National Democratic Committee, in session at Court-house, in this city, the following resolutions were adopted:

**Resolved,** That we recommend as worthy of the warmest support of all good National Democrats, at the coming November election, Hon. Frank Dudley, of Clark county, for State Senator of this, the 28th Senatorial District; and Hon. Jas. A. Violet, of Franklin county, for Commonwealth's Attorney, in the District composed of Bourbon, Scott, Woodford and Franklin counties. **Resolved,** That we hereby endorse the following gentlemen for the offices named, and urge the National Democrats of Bourbon County to give them their heartiest support: John Woodford for Sheriff; Dr. J. Ed. Ray for Coroner, and G. S. Sparks for Assessor.

BOTH Gov. Bradley and Dr. Hunter may take the stump for Bailey this fall.

If Hons J. C. S. B. and P. Wat H. are still alive will they please signify same by rapping three times on the cabinet?

GARLAND D. BLACK, silver nominee for Representative in Ohio county, may be a gold bug before he's elected. He thinks he has a gold mine on his farm.

THOS P. WATSON, the late candidate for Vice President, has tired of politics, and will sell his paper and devote his time to law and literature. Politics tired of Thomas some time ago.

HON. JAMES A. VIOLET has decided to accept the nomination for Commonwealth's Attorney of this district offered him by the National Democrats, and will make the race against Robt. Franklin.

W. J. BRYAN is said to be writing another book on the money question. With his tongue and pen, Bryan is about the busiest man in the country. Like the brook, Bryan babbles on forever.

If Mexico should adopt the gold standard, and such a course is not unlikely, the blow would almost kill Bryan. It would knock the wind out of the free silver cause in the United States.

EDITOR C. C. MOORE has nominated Mrs. Josephine K. Henry, of Versailles, for President of the United States. Moore considers her the greatest human being in the world—the peer of any man in public or in private life.

W. A. GAINES, a colored Republican, of Covington, who has hungered for McKinley pie since last March, has had a large hunk of glory thrust upon him by being elected Supreme Master of the World by the order of United Brothers of Friendship.

THE Democratic State Central Committee has been called to meet at noon Thursday at Lexington. The campaign will be outlined.

THE failure of the band of Harrison county tollgate raiders to read the papers caused them to make monkeys out of themselves, by removing a gate from a pike which had been made free. But the turnpike anarchists "don't have time to read the papers now."

PRESIDENT MCKINLEY is being roundly and justly criticised for visiting as a mourner the grave of "Ossawatimie," John Brown, a convicted murderer, and a desperate, blood-thirsty villain, who deserved hanging a dozen times. It was an act unbecoming, the President of the United States.

BUSINESS must indeed be bright when the New York Journal, which a year ago was insisting that nothing but the free coinage of silver could bring prosperity to the United States, has published a full-page article showing a prosperous condition in New York and the country over.—[Financial Review.]

## Throat Coughs

Is there a tickling in the throat? Do you cough a great deal, especially when lying down? Are you hoarse at times? Does nearly every cold you take settle in your throat? These "throat coughs" are very deceptive. Don't neglect them. Troches, or cough syrups won't touch the spot. You must take remedies that will enrich the blood, tone up the nerves; and heal the inflamed membranes.

SCOTT'S EMULSION of Cod-liver Oil with Hypophosphites contains such remedies. It has wonderful nourishing and healing power. The cause of the cough is removed; the whole system is given new life and vigor; and the danger from threatening lung trouble is swept away.

Book about it free. For sale by all druggists at 50c. and \$1.00.

### "Too Much Hanna."

If Mark Hanna should suddenly die the free silver press would be in the dickens of a fix for something to write about. To them Mark is a bugaboo behind every tree, the incarnation of everything that is fiendish or horrible and the personification of corruption. When they call anyone a Hannocrat they think they have uttered the smartest, meanest and vilest thing possible. THE NEWS has no more use for Mark Hanna than has the silver press, but thinks "too much Hanna" is being inflicted on the reading public. It is very nauseating.

## Ministers Should Use Dr. Miles' Heart Cure.

THERE IS NO PROFESSION, whose labors so severely tax the nervous system, as that of the ministry. The derangement of the nerve centers of the brain by over work, frequently brings on attacks of heart trouble, and nervous prostration. Rev. J. P. Kester, M. D., Pastor U. B. church, London Mills, Ill., himself a physician, writes Feb. 26, 1886: "Heart affection and nervous prostration had become so serious last fall that a little over work in the pulpit would so completely prostrate me that it seemed certain I must relinquish the work of the ministry entirely. Heart palpitation became so bad that my auditors would ask me if I did not have heart disease. Last November I commenced taking Dr. Miles' New Heart Cure alternately with Dr. Miles' Nervine and derived the greatest possible benefit. I have just closed revival work of 40 weeks, preaching nearly every night and twice on the Sabbath. I can speak for hours without suffering as I formerly did. Hard working ministers should keep Dr. Miles' grand remedies on hand."

Dr. Miles' Heart Cure is sold on guarantee, first bottle will benefit or money refunded.
